

Wine Shows 2019

WORDS OF WINE

You are invited to exhibit at the country's most prominent wine shows in 2019: the 20th RMB WineX and the 10th Mpumalanga, 7th Free State, 5th Eastern Cape and 2nd Capital City Wine Shows.

As in the past, the shows are directed by Michael Fridjhon and managed by OutSorceress Marketing.

We all know how tough 2018 turned out to be: the Rand has been as volatile as ever, and the domestic market has been hammered by the relentless recession. Despite this uncertainty, premium local wine sales have held their own. Gauteng alone still accounts for double the volume of bottled SA wine exports to the UK. Sales to the Lowveld tourist hubs rival the entire US market, and come at a much lower marketing cost. The Eastern Cape consumes more bottled SA wine than Canada, the Free State more than Denmark. Working the local regions is significantly less expensive than any overseas market. The customers speak your language, all your costs are incurred in Rands and there's no exchange risk.

In short, for producers seeking to optimise efficiency, accessing the key local markets via our wine shows will yield more for less cost than any other form of marketing, locally or abroad.

This booking guide has been created to provide the general information required to assist you in confirming your attendance at our 2019 shows.

Looking forward to seeing you in 2019!

Michael Fridjhon

STAND CHARGES

Please refer to the detailed breakdown of rates and special deals listed on the rate schedule.

The **Early Bird Five Show Deal** – an unbeatable **R34 687.50 (excl. VAT)** is **valid for bookings made AND paid for by 31 January 2019. This is an absolute date.** This reflects a **25% + discount on the show rack rates.**

Booking the **Five Show Deal by 9 March 2019** will cost **R37 000.00 (excl. VAT)** reflecting **20% + discount on show rack rates.** See rate sheet for a detailed list of the combo deals and discounts on offer.

Exhibitors electing not to book the five shows can take advantage of one of the **Combo Show deals.** For single show bookings, the rack rate applies.

There are only 50 Five Show Deal packages available due to the space demand at the regional venues. Bookings made by 9 March for the Five Show Deal will be given preference ahead of single show bookings.

LOYALTY DISCOUNTS

Exhibitors may be eligible to receive a **Loyalty Discount** on their individual RMB WineX and Combo deal bookings. The **Platinum and Gold Loyalty programme** – in existence since 2008 for all WineX bookings, adjusted in 2014 to a point system – incorporates the regional wine shows' participation retrospectively since 2013. Loyalty discounts are applied against WineX only and Combo show bookings. Not applicable for individual regional show bookings.

Loyalty discounts are as follows:

Platinum: 20 points and above – less **10% discount** (*this is over and above all other deals*).

Gold: 14 points and above – less **5% discount** (*this is over and above all other deals*).

Loyalty Discount Point system is as follows:

Regional shows: 1 point for each full stand booked

RMB WineX: 2 points for each full stand booked (shared- and alternative stands treated pro-rata)

GROUP BOOKINGS

Group bookings (of six stands or more) will receive a discount of **15%** on the group booking invoice. A group is not restricted to six stands and can be designed to suit your needs. **Must be booked and paid for as one invoice.**

STAND LAYOUT, FLOOR PLAN, BRANDING & DÉCOR

All exhibition areas have been designed to afford all producers an equal opportunity to promote and market their wines or products. All stands are laid out to match the general décor of the room. The exhibition area is converted into a quality showcase wine arena. The show will have an individual room layout and look-and-feel. The floor plan will be drawn up based on the number of exhibitors at each of the shows.

- Each exhibitor stand comprises a trestle table* (1.8 / 2m counter front) complete with floor-length table cloth and overlay and is supplied with ice bucket, mineral water, crackers, tasting glasses and spittoon. Wine management, storage, refrigeration and supply of ice is included in stand charge.
**see RMB WineX for different counter detail*
- **Wall Stand** exhibitors have the benefit of the backdrop which can accommodate larger (free-standing) banners to a max height of 2.5 m x 2m max width.
- Producers who wish to dress up their space with larger **and non-standard display material** – e.g. spider walls, oversized banners, shelves and cabinets – can only be accommodated on the perimeter of the tasting hall as a **wall stand**. Alternative exhibits / stand structures require the approval of the organisers at booking stage. Graphic images (dimensions and 3D representations) will be required for the approval by both the organisers and sponsors no later than eight weeks prior to the show.
- **Only one winery** or non-wine company may be accommodated or represented at each stand.
- A **Hospitality/Catering Area** will be provided within the wine hall. It is advantageous to keep visitors in the environment of exhibitors while providing them with refreshment and sustenance.
- In addition to the Hospitality Area managed by the organisers, independent **Exhibitors can book stands for sampling and sale of products.** These products must have a link to wine in one way or another and participation is subject to the approval of the organisers. (e.g. glassware, coolers, wine tour companies).

- Each full stand exhibitor may have a **maximum of seven different line items** on show – wine, estate brandy, olives and olive oil (maximum of 2 olive/olive oil products in combination with wines) for the full period of the show. Combinations of these are permitted provided total line items do not exceed seven. In view of the calibre of visitors who attend these events, producers are urged to select only their premium offerings for show tastings.
- Wine storage is provided, some under CCTV, for all exhibitors. **Ample refrigeration** ensures that white wines are brought to the stands at correct service temperature.
- We provide the **logistical services** associated with storage and provision of wines, ice etc. to exhibitors for the duration of the show. Runners facilitate the supply and replacement of wines to the stand.

BOOKINGS, INVOICING & PAYMENT

- All bookings will be acknowledged by e-mail as soon as they are processed. An invoice detailing the exact charges applicable for each of the five shows (where applicable) will be sent with the booking confirmation. Payment must be made by deposit or bank transfer to the bank details supplied on the invoice by the appropriate deadline.
- Please DO NOT deposit any monies until you have been invoiced. This arrangement allows us to track all payments and is an effort to prevent duplicate and unidentified deposits.
- Please send proof of payment to monica@outsorceress.co.za with your EXHIBITOR NAME clearly marked. Please note: the exhibitor becomes liable for the full amount of the booking on submission of the booking form. The booking is only secure on receipt of payment.
- ALL INVOICES are payable in full upon RECEIPT of invoice. Bookings not paid for in full by the invoice due date will be cancelled in favour of a waitlisted booking. In the event that the booking is renewed, it will be re-invoiced at the rate applicable to the next settlement date.
- **Cancellation Policy:**
If cancelled up to 45 days of the date of the show: stand rental (less 20% for administration costs) is refunded. Thereafter, no refund, except at the organisers' discretion.

THINGS YOU NEED TO KNOW

- A provisional floor plan of WineX in the Sandton Convention Centre Pavilion is available upon request. **Exhibitors wishing to select a specific stand** may reserve these as a Special Position stand at an additional surcharge (complimentary to Platinum loyalty members). Otherwise stands are allocated on a first-booked-first-served basis.
- **RMB WineX** exhibitors are provided with a “bar counter” for service. It’s 90cm high and 2m wide. The stand includes counter space, branding opportunities and service area for each exhibitor. Exhibitors may book one or more of these stands as adjacent space. Exhibitors requiring double stands with straight/flush frontage must reserve **wall stands**. Exhibitors are invited (closer to the time of the show) to book branding for the front of their counters (at an additional charge) and are free to add finishing touches – such as table décor, posters on easels, free-standing banners (max height 1.8m x max width 2m, accommodated within the footprint of your stand) – to their space.
- **RMB WineX offers a Shared Stand option**. This is available to **boutique producers and new wineries** (see detail on rate schedule) at RMB WineX only. Such producers will be permitted to share stands providing each sharing producer does not exhibit more than four different wines over the course of the show. Sharing exhibitors may be limited in respect of banner branding. The Shared Stand option is also available to **ultra-boutique producers and garagistes** (5,000 litres and less / 550 x 12 bottle cases) at a further discounted rate.
- **Alternative stands** (non-regular WineX stands) can be accommodated at the side walls only or in specially- designated locations. These can be booked as **empty floor space** (for exhibitor self-build) in the required size at a minimum of **6m²**. Alternate size space at more than 6m² is available at a per square meter charge (quote available on request). Empty floor space booked must a) accommodate sufficient standing area for stand representatives, and b) account for visitor access at stand sides if required by the exhibitor. Alternative stands require notification to the organisers at booking stage and approval of stand design no later than 8 weeks before the festival. Alternative stand builders will be required to supply electrical compliance certificates as well as Proof of Public Liability.
- For images displaying different stand type options, visit <http://www.winex.co.za/Exhibitors/stands-and-layout.asp>
- **Each stand includes** a counter, spittoon, ice bucket, waste bin, signage, glasses, crackers, mineral water, napkins and ice. The show provides daily cleaning services and waste collection.
- In addition to the Hospitality/Catering Area managed by the organisers, independent **Exhibitors can book stands for sampling and sale of products**. These products must have a link to wine in one way or another and participation is subject to the approval of the organisers. (e.g. glassware, coolers, wine tour companies). As there is a substantial demand on these areas, independent non-wine exhibitors (not affiliated to a wine stand) will be required to book double stands or a minimum of 6m².
- **Producers’ Association stand bookings** will be accepted at RMB WineX, provided that wines produced at cellars which are not exhibiting at WineX are only offered on one of the evenings of the Show. WineX signage and listings will be for the producer association only (not the individual members). Wine routes and local distribution agencies do not qualify for multiple winery stands.
